**Brief Description of the Project:**

Crime Stoppers Belize was established as a not for profit organization exclusively for the purpose of helping in the fight against crime. The advantages of Crime Stoppers Belize, is that it is a program that involves the cooperation of not only the community, but the Police and the Media as well. The program provides for a unanimous system for the collection of information from eye witnesses and then feeds this information to the Police who work to solve crimes. The anonymous system has already helped to solve 26 crimes in Belize. These involve crimes of murder, carnal knowledge, drug possession, possession of illegal firearms amongst other. Funds are required to launch new Educational Programs targeted at Young people and areas of high crime.

**Beneficiaries:**

The many communities in Belize.
