- Cisco reminded the meeting that 3 years ago 2 Rotarians rode the cross country. Tessa Usher actually made it half way. Joe Habet greeted at the end. Tessa was supposed to receive a medal for this effort and somehow the medal was misplaced. Cisco bestowed the medal on Tessa at the meeting, apologizing that it was only three years late.
- In the middle of the meeting some were alarmed as the fire alarm went off. No one panicked as it appeared to either be a malfunctioning alarm or a fire drill which no one had been advised about.
